29th SUNDAY OF THE YEAR

'We want you to do us a favour'

The Twelve Apostles were not a company of saints. They were ordinary men with feet of clay. They struggled with pride, arrogance, selfishness and lack of understanding. In this episode we see their petty ambition coming to the fore. They wanted preferential treatment from Jesus when He came into His kingdom. Not only are they acting selfishly but they have failed utterly to grasp what he has been preaching, that the call to greatness is the call to service. There cannot be glory without the Cross. It is heartening to remind ourselves that it was with people such as these that Jesus set out to change the world and He did. God brings glory to Himself by doing great things with small tools. **He uses us not in spite of our weaknesses but because of our weaknesses.** His favourite instruments are 'nobodies'. We should take heart!
