COLLECTION FOR UKRAINE Sincere thanks to all who contributed so generously to the recent Special Collection for Ukraine. Nationally, this collection has raised to date over €2.5 million. The war in Ukraine, and the terrible suffering which has resulted, has seen a tremendous outpouring of compassion and generosity from our parish communities. Your contributions will bring much-needed relief to those in the region whose lives and livelihoods have been devastated. The funds raised will be used by the international Catholic Church agency, Caritas Internationalis, which is currently operating on the ground in Ukraine and its surrounding areas. We continue to keep the people of Ukraine in our thoughts, praying for peace and an end to this appalling humanitarian crisis. *Total For Diocese of Ardagh & Clonmacnoise €99,128.32*

GRADUATION OF CATECHISTS

Congratulations to Sharon Connon and Mary Fahy from our parish who have graduated as Catechists in a course facilitated by Maryville Institute. They were conferred with their certificates at a ceremony in St. Mel's Cathedral on Saturday last. Catechists work alongside priests to spread the word of God and build-up the Church. This work is carried-out primarily though not exclusively in the area of Sacramental preparation. We wish Sharon and Mary every blessing in this important ministry.

DIOCESAN ASSEMBLY & SYNOD PATHWAY

Since September 2019 we have been invited to take part in a listing process throughout the Diocese. Over the first few months, delegates from each parish worked with a wide and varied group of people, to look at their needs and what parish meant for them today. Some of those who took part were involved in parish life and others were not; there were also a good many individual

submissions received from people throughout the diocese over this period of time. From these submissions a number of pastoral priorities were voted on, to be developed further. With Covid-19 the work of the Assembly was put on hold, but opportunities were taken to listen to the effects of these last two years on parish life and on parishioners. This month all this work will be gathered together as delegates will assemble in person to work on furthering the priorities that have been discerned over these two years.

During this period of time Pope Francis invited submissions from around the world in a Synodal pathway, in the same way that our Diocesan Assembly invited us to listen and discern the Spirit in our parishes today. All the work and viewpoints that have been shared over the last two years will now also form the basis of our submission to the Synod Pathway. There is a line in the prayer for the Assembly which says: "Jesus, you promise us your Holy Spirit to guide us always until the end of time". We invite you to keep the Assembly of parish representatives on the 14th May and those involved in the Synod in your thoughts and prayers at this time.

Third Sunday of Easter 'Come and have breakfast'

The word hospitality comes from two Greek words meaning 'love of strangers'. It is a virtue that is both commanded and commended in Scripture. Hospitality was central in the life of Jesus. We find him regularly acting as host or guest while sitting at table with friends and strangers. It is said of the ministry of Jesus that He is either going to a meal, at a meal or coming from a meal. It was often in the meal setting that He delivered His most profound teaching. If you take the meals out of the Bible it becomes a very short book. Meals are more than food.

They are about community, connection, friendship and fellowship. They represent open hearts, open hands and open doors. They are a reminder to us of the generous hospitality of our God. Before we invite people to Church, perhaps we should invite them to dinner! It is no surprise, then, to find that the disciples recognize Jesus in today's Gospel as He prepares breakfast for them by the shore.

We cannot survive in life without food or love
Jesus provides us with both in the Eucharist.
